EDUCATION

CUNY Brooklyn College

Computer Science/Bachelor's of Science

Brooklyn, NY

Expected: 2023

- Cumulative GPA: 3.85 | Dean's List
- Full Tuition Merit Scholarship: Macaulay Honors College

WORK EXPERIENCE

Haven Life

Software Engineering Intern

Brooklyn, NY

January 2021 - January 2021

- Collaborated with Haven life to execute a three-week project using HTML, CSS, JS to build a website for new hires to get more accustomed to the workplace and team members
- Spearheaded the design of the website, and solved problems other team members were facing resulting in being able to implement more features on the website and saving hours of debugging
- Decreased time needed for new-hires to get familiar with the 800+ workers and team members of the rapidly growing startup Haven Life, promoting a better workplace cohesion

LEADERSHIP EXPERIENCE

Macaulay Honors College

Student Lounge Volunteer

Brooklyn, NY (Remote)

February 2020 - Present

- Plan 3 mini-events to be held throughout the semester and help the 30+ different club leaders prepare for their event if they need help
- Moderated 5-10 students in the reading room and answered any questions they had of Macaulay and to help with any problems they faced with the equipment in the reading room.

Brooklyn College

College Now Ambassador

Brooklyn, NY (Remote)

April 2019 - June 2019

- Served as a representative from Brooklyn College in the College Now program
- Advertised the College Now program at Midwood High School
- Served as an advisor to students to answer any questions and information the students had about the program.
- Designed a flyer for the Fall 2019 College-Now program to be put up around the school
- Set up meetings with the College Now liaisons on ways to help advertise the program
